

# How to access our wireless network

1. Select the wireless network: **SilkeborgHotspot**.
2. You need to validate your access. If a browser window for validation does not automatically pop-up, you need to open a browser to access the page.
3. On the validation page please press: "Create a guest account"

Silkeborg Kommune Guest Portal

**Sign On**

Welcome to Silkeborg Municipality guest portal. Sign in with your DR-number or guest account. If you do not have a guest account click the button below to create one.

**Create a guest account**

Username:

Password:  [Reset Password](#)

[Please read the terms and conditions.](#)

**Sign in**

4. On the account page it is sufficient to enter your mobile phone number (1) and check the box "I agree to the terms and conditions" (2). Note that for non-danish phone numbers you need to replace "+45" with the correct country code in the mobile phone number textbox. Then press "Create".

Silkeborg Kommune Guest Portal
